

RESULT

Heads up! - headwear is all-season now

deal for any college student, RESULT's contemporary headwear collection offers a balanced mix of vibrant and earthy tones that will add colour and style to any leisure activity. Each innovative high quality product offers its own unique

look and feel and can be easily embroidered or printed.

Using the latest natural and synthetic materials and designs, RESULT headwear offers a stylish and comprehensive range of headwear suitable for branding. RESULT hats are simple to frame and fully customisable, presenting a go-to headwear option for garment decorators.

The RC046X Reversible Fashion Hat is a highly versatile fashion accessory due to its reversible design. Made with 100% soft feel acrylic, the RC046X is fully washable and comes in nine colourways including black/red, grey/black, black/sky

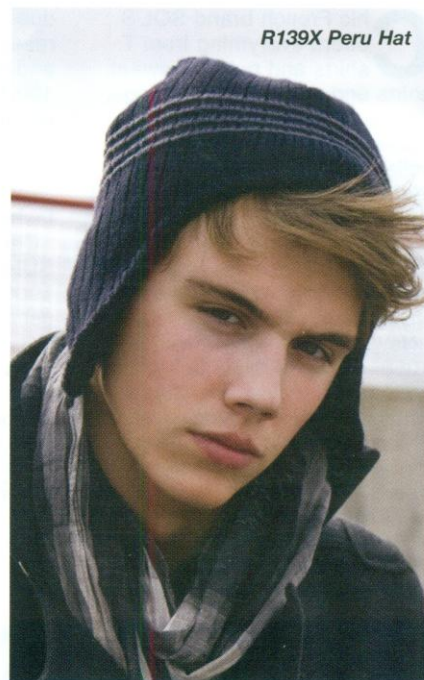

and stone/olive, as well as more vibrant bright orange/black and lime/black.

Another 'beanie' style option is the RC074X Double Knit Cotton Beanie Hat. Made with 100% double thickness knitted cotton, the RC074X is available in four colourways, is fully machine washable and can be customised using embroidery.

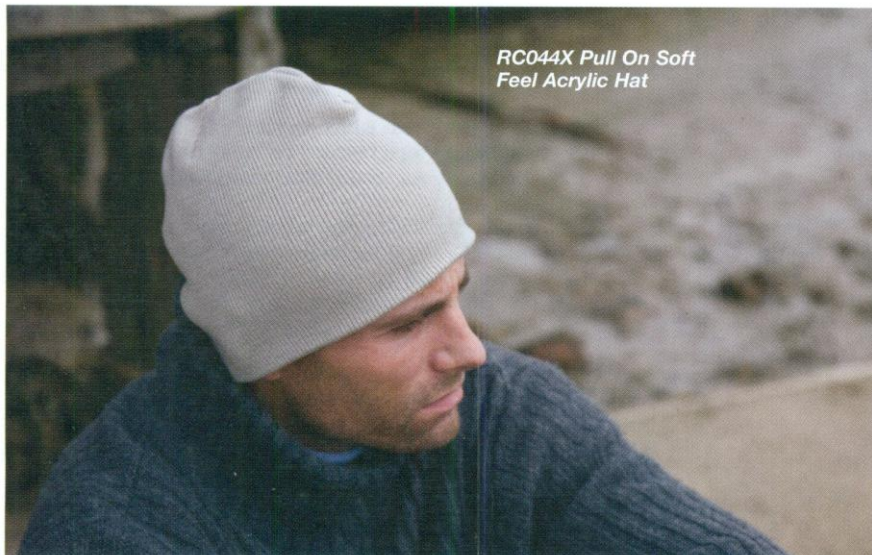

The RC044X Pull On Soft Feel Acrylic Hat is constructed from 100% soft feel polyacrylic. It is washable and suitable for embroidery.

The RC133X Lightweight Thinsulate Hat is a windproof hat made from an acrylic outer and polyester lining. The Thinsulate layer will keep heads warm, while a deep fold up hem offers added style, plus allows the hat to be pulled lower to suit individual preferences. The RC133X Hat is available in green, black, navy, yellow and orange.

Part of RESULT's popular Winter Essentials range, the R139X Peru Hat,

R139X Peru Hat

RC044X Pull On Soft Feel Acrylic Hat

is warm and comfortable and its longer side panels give great ear protection from the cold and wind. With a 180gsm microfleece lining this snug hat also warms the forehead and back of neck area and is ideal as winter sports wear.

Also part of the Winter Essentials range, is the R146X Team Scarf. Enjoy exceptional warmth from the ultimate team accessory. Made from 100% acrylic this tassel trimmed, heavy knit scarf comes in a rainbow choice of varsity colours to give great support to any club or society event.

Adding rainbow magic to the student wardrobe

Who says the college uniform should be dull and drab? The Colortone TD002 Rainbow Tie-Dye T range will chase away Monday blues and boring uniforms in no time. Available in an eye-catching range of eight different and distinctive tie-dye styles, the TD002 is the best way to brighten up a boring college wardrobe.

Great for both men and women, these funky Ts are quarter-turned to eliminate a centre crease and are double needle stitched at the neckline and sleeves to boost durability and add a decorative touch.

Best of all, Colortone's Ts are hand-dyed, ensuring superior colourfastness.
